NATIONWIDE MEMBERSHIP

Nationwide Membership enables you to visit any participating YMCA in the United States through membership at your home YMCA. We offer this because we want to help you reach your health and wellness goals wherever you live, work or travel. This is an essential part of our mission to strengthen communities.

Nationwide Membership

We understand that sometimes it is more convenient for members to take advantage of a Y near their workplace or when they are traveling outside the area of their home Y. With Nationwide Membership, members have the flexibility to use participating Y facilities throughout the nation at no extra charge.

What you need to know:

- Nationwide Membership is valid for active, full facility YMCA members.
- Nationwide member visitors must use their home Y at least 50% of the time.
- When visiting a Y, nationwide members will be required to show proof of YMCA membership and a photo ID as well as provide basic membership data such as name and email address.
- Nationwide members need to sign a universal liability waiver and privacy policy.
- Nationwide members visiting other Ys for a period greater than 28 days must transfer membership affiliation for continued use.

Exclusions:

- Program-only participants (including Silver Sneakers, Silver & Fit or other like programs) are not eligible for nationwide membership.
- Special memberships established by any Y for group homes and other agencies are not eligible.
- All Ys reserve the right to restrict or revoke these privileges. Registered sex offenders are prohibited from all YMCAs.
