**C.I.T. Agreement**

It is the goal of the CIT program to create individuals that can flourish as staff members at the YMCA Camp programs. Becoming a CIT is an experience very different in its expectations than that of being a camper. All accepted CITs are expected to:

- Participant fully in all training offered during the summer.
- Present themselves as role models to staff and campers and exemplify the core values of the YMCA (caring, honesty, respect, and responsibility).
- Participate fully in all the camp programs and activities and be a positive influence on the camp community.
- Work cooperatively with the camp staff to provide the best possible environment for you, your fellow CITs and campers.

Please Note:

- Submission of an application does not indicate an acceptance into the CIT program.
- Acceptance into the CIT programs does not guarantee employment in future summers.
- If accepted into the program there is a program fee which covers your full participation.
