The CDC reports drowning as the second leading cause of unintentional death for children ages 1 to 14 years, and the fifth leading cause for people of all ages. Learn how to reduce your risk

Please join us for a day of water safety, fun and education as professionals teach pool, lake, and river safety. Some activities include swim lesson evaluations, lifejacket fittings and usage, safe boating practices, and water rescue demonstrations. The YMCA Aquatic Staff along with the American Red Cross, Boy Scouts, Jackson County Sheriff Patrol, US Marines, Mercy Flights Explorers, Coast Guard Flotilla #59 Grants Pass, and many other community partners will be on site to talk to kids and families.

**This event is open and free to ALL.**
